The Resort

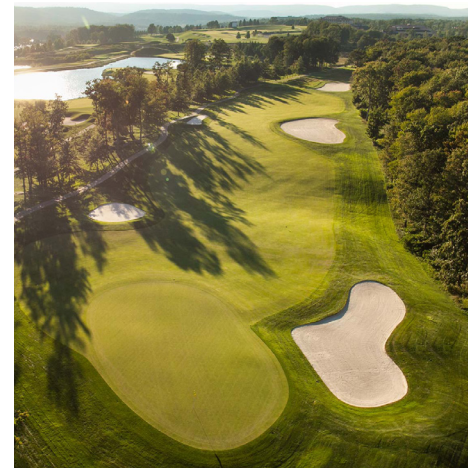

The luxurious Nemaocolin Woodlands Resort is a AAA, five-diamond resort property nestled in a 3,000-acre tract of land situated in the Allegheny Mountains in southwest Pennsylvania. The resort offers a wide range of recreational activities, such as golf, a spa, fitness center, horseback riding, hiking, biking, swimming, tennis, archery, shooting sports, fishing, skiing, art tours, culinary classes, shopping, carriage rides, safari tours, exotic bird habitat, bowling, arcade, sports bar, and more!

Chateau Lafayette was designed to mirror the famed Ritz Paris in France. Elegant rooms feature vaulted ceilings, crystal chandeliers, sitting areas and plenty of amenities. Adventure awaits at The Lodge — the classic interior style blends perfectly with comfortable finishes to create a warm and inviting space, ideal for easy relaxation.

Enjoy an array of dining choices from casual fare at The Tavern, The Caddyshack, or PJ's to fine dining at Lautrec, Aqueous, and Autumn.

The resort offers two golf courses with 36 holes of golf. [Shepherd's Rock](#), a par 72 and 7,526-yard course designed by Pete Dye, was awarded the 2010 Gold Metal Award by Golf Magazine. This course will challenge golfers of every skill level. [Mystic Rock](#), the 70 par and 6,658-yard links course is of a traditional Scottish design, where rocks and water come into play on several holes.

Resort Activities are recommended to be booked by **Friday, September 3, 2021**.

Please call the concierge at your earliest convenience to make reservations for Resort Activities outside the provided Event Schedule.
